

## Who deserves to be named 2017 NCPCM Store Manager of the Year???

The North Carolina Petroleum and Convenience Marketers offers an exciting annual program to recognize excellence in store management for its member stores located in North Carolina—the **Store Manager of the Year Award**. We want to hear about your deserving employee!

The recipient of the Store Manager of the Year Award will receive a complimentary trip to the 2017 NCPCM/SCPMA Joint Convention in Myrtle Beach, SC, including registration fees for the recipient and one guest, lodging, and \$300 in spending money to cover travel expenses and food.

In order to select the “best of the best,” we need your help. Take a few minutes and fill out the attached form for an individual you feel deserves the honor of Store Manager of the Year. Because of the increasing number of entries each year, we encourage you to include all information — including letters of commendation — that will help your candidate stand out among other nominees.

The NCPCM Board of Directors feels that this program is an excellent way to honor an individual who has demonstrated commitment and service to his or her company, our Association, and the community.
